#### Company Profile

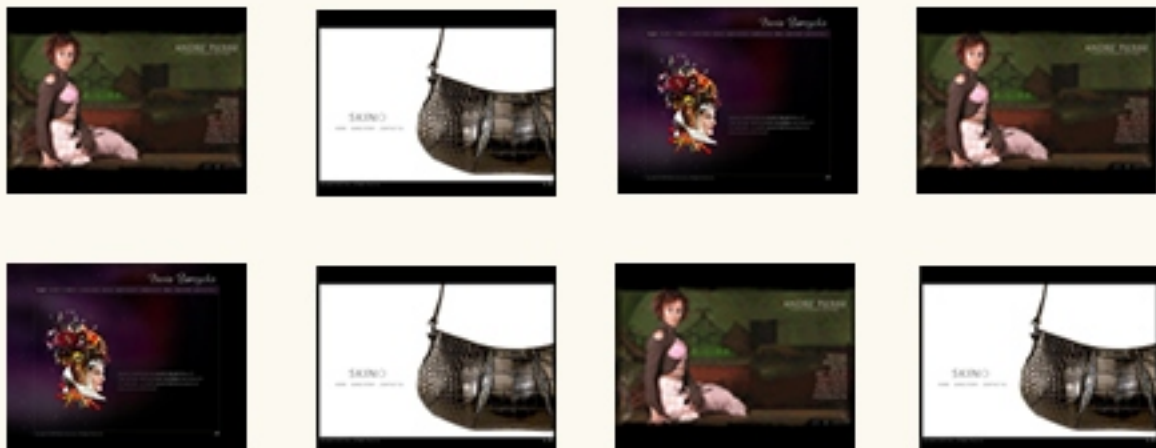

Ingress Consulting is a boutique New Media agency who deliver award winning technologically inspired solutions to those who are willing to embrace the digital economy for the benefit of their business.

Established since 2002, our philosophy has always been to merge Creativity with Logic.

Our mission is to inspire our clients with our services, encouraging them to use and exploit the new technologies of today and tomorrow.

A talented and diverse team work closely, to reach one collective outcome; creative excellence.

Our Designers are out of the box thinkers.
